

Dear our value customer,

Firstly, thank you very much for your interest to our company and business co-operation.

We are GALA HOME Furniture company, a manufacturer and exporter of the commercial Plywood, construction plywood, LVL, Finger-joint panel.

We have invested advanced equipment (such as pre-presses, hot presses, calibrators, veneer drying machines, veneer rotary-cut machines, kiln drying systems and etc.) and high efficiency crafts technologies have helped us to maintain our product quality at highest standards.

Our products are met with the national and mainly international standard and exporting to Middle East, Australia and Southeast Asia.
